# Safety + Warranty

MOBILE COMPANION GO

**Mobile Companion Go:**

An on-the-go safety communication accessory for independent adults.

**Included:**

Aloe Care Mobile Companion Go, charging station, power cord, plug adapter, and lanyard.

**Required (not included):**

Android or iOS mobile device.

The Mobile Companion Go and other accessory devices, including but not limited to the Aloe Care ecosystem (collectively, "Equipment"), are provided "as is," and Aloe Care Health, Inc. ("Aloe Care") hereby disclaims to the fullest extent permitted by law, all liability in connection with the equipment and the use thereof, including without limitation in connection with claims related to personal injury, personal property, or the infringement, misappropriation, or other violation of intellectual property rights. Aloe Care also hereby makes no guarantees related to the equipment and disclaims

any warranties, whether written or oral or express or implied, including any warranty of quality, merchantability, or fitness for a particular use or purpose in connection with the equipment.

**Fall detection does not detect 100% of falls.**

The equipment and medical alert services are not a substitute for 911. If you need help and can dial 911, you should do so.

**IPX7:** Do not use or store in environments prone to dust, moisture, or extreme temperatures. The device is protected against water projected in powerful jets (12.5 mm (0.49 in)) against the enclosure from any direction and short periods of immersion in water—between 15 cm (5.9 inches) and 1 meter (3.3 feet) for up to 30 minutes.

**Warning:** Choking and strangulation hazard—the equipment contains small parts and cords that may present a choking or strangulation risk for children and pets. This equipment is not intended for children under 12 years of age.
